

BWC91TB

Wall Canopy Rangehood, 90cm

Model: BWC91TB

Key Features

860m³/hr air movement

Powerfully built with a high air movement capacity, this range hood will ensure all cooking odours are removed from nearly any kitchen.

Touch control

Easy to read LED display on a black glass fascia makes this rangehood a stylish addition to the kitchen.

4 speeds with booster

A variety of speeds to suit any type of cooking.

Three aluminium grease filters

Easy to clean, the aluminium grease filters can be hand washed, or placed in the dishwasher.

Can be ducted or recirculated

Provides greater options and compatibility of installation to suit all kitchen design.

Restriction of hazardous substances compliant

RoHS is a product level compliance based on the European Union's Directive 2002/95/EC, the Restriction of the Use of certain Hazardous Substances in Electrical and Electronic Equipment (RoHS).
