Key Features

Engineered in Germany

Elegant SILGRANIT design impresses with its timeless, straight lined bowl geometry which will suit all types of kitchen products and worktops.

Durability

SILGRANIT consists of 80% quartz sand (the hardest element of granite), which makes it unbeatably resilient, extremely durable, scratch proof, heat resistant, unbreakable and acid resistant.

Hygiene + Plus

A patented formula that acts as a shield against dirt and bacteria. This hygiene protection reduces bacteria growth by an average of 98%.

Maximum bowl size

The small radii of 10mm allows for a large sink area and a modern, classy look.

High quality features with covered C-overflow and InFino drain system

Elegantly integrated and extremely easy care
