Inbuilt overflow

Benefits

Over 85 years of Stainless Steel know-how make Blanco one of the world leaders in sink manufacturing, which translates to superior products for your home

Hand-crafted from 1.25 mm thick stainless steel and finished with Blanco's satin polish make this sink an ultimate food preparation area.

With a bowl depth of 190mm, this sink will accommodate even the largest of baking trays, woks and other bulky kitchen utensils

Blanco was the first to produce the 10mm radius corner which gives commercial appeal whilst maintaining an easy to clean finish.

No need to purchase separately, sink ready for use when purchased.

No overfilling of the bowl, prevents damage to the kitchen
